

We're Hiring!

Internet Marketing Intern

If you're passionate about Web marketing, love being ahead of the curve, and consider yourself a little bit tech-y - we have the internship for you!

DigitalGrit was named one of the **Best Small and Medium Companies to Work for in America** by SHRM in 2006. We've also been named among the top 5 **Best Places to Work in New Jersey** in 2005 and 2006. And we've made **Deloitte's Technology Fast 50** for New Jersey for the last two years, too.

We are looking for an intern who understands (and gets excited about) how businesses use the Internet for marketing through methods like search engine marketing, email marketing, online advertising, blogging and more.

We currently have opportunities in our NJ location.

You'll earn a competitive hourly rate and the experience of being part of our tight-knit team.

Please send your resume to dgresume@digitalgrit.com and put "Internet Marketing Intern" in the subject line.
