

We're Hiring!

Marketing Technology Intern

DigitalGrit, Inc., a leading full-service interactive marketing company, was named one of the **Best Small and Medium Companies to Work for in America** by SHRM in 2006. We've also been named among the **top 5 Best Places to Work in New Jersey** in 2005 and 2006. And we've made **Deloitte's Technology Fast 50** for New Jersey for the last two years, too.

Our sister company, relevantNOISE, Inc., is a cutting-edge technology company that mines blogs for business intelligence. In 2005, relevantNOISE was awarded one of only six fellowships from the NJ Commission on Science and Technology.

Both companies are looking for a highly motivated and experienced IT intern to:

- Assist in the development of complex text and data mining techniques
- Develop appropriate algorithms to enable more robust and refined results
- Think of new and innovative features and applications

Desirable Skills:

- Software skills include: C#, vb.net, ASP.net, ADO.net, Java Script, SQL
- Team- and results-oriented
- Has a "fire in their belly" and not afraid to get their hands dirty

\$10 - \$14 per hour. Please send your resume to dgresume@digitalgrit.com with "IT Intern" in the subject line.
